**1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND THE COMPANY/UNDERTAKING**

GHS product identifier

Product Name Etch n Seal

Other means of identification

Synonyms None

Recommended use of the chemical and restrictions on use

Recommended Use Uses advised against

Professional Dental

No information available

Supplier's details

Supplier Address  
DenMat  
1017 W. Central  
Ave. Lompoc, CA  
93436  
TEL: 805-346-3700

Emergency telephone number

Emergency Telephone Number

805-346-3700

## 2. HAZARDS IDENTIFICATION

### Classification

### GHS Label elements, including precautionary statements

Appearance Red

Physical State Liquid/gel.

Odor unpleasant, do not smell

### Hazard statement(s)

H314 Causes severe skin burns and eye damage.

### Precautionary statement(s)

P280 Wear protective gloves/ protective clothing/ eye protection/ faceprotection.

## 3. COMPOSITION/INFORMATION ON INGREDIENTS

| Chemical Name            | CAS-No    | Weight% |              |
|--------------------------|-----------|---------|--------------|
| Phosphoric acid          | 7664-38-2 | 25- 35% | Trade secret |
| Aluminum oxalate hydrate | 814-87-9  | 0.1 - 1 | •            |

*\*The exact percentage (concentration) of composition has been withheld as a trade secret.*

## 4. FIRST AID MEASURES

### Description of necessary first-aid measures

#### Eye Contact

Remove contact lenses before flushing. Immediately flush with plenty of water. After initial flushing, remove any contact lenses and continue flushing for at least 15 minutes. Have eyes examined and tested by medical personnel.

#### Ingestion

DO NOT INDUCE VOMITING -Give victim a glass of water or milk. Call a physician or poison control center immediately. Never give anything by mouth to an unconscious person.

#### Skin Contact Inhalation

Wash with soap and water. Get medical attention if irritation develops or persists.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. If not breathing, give artificial respiration. Get immediate medical attention.

## 5. FIRE-FIGHTING MEASURES

### Suitable Extinguishing Media

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

### Specific Hazards Arising from the Chemical

Carbon dioxide

### Explosion Data

Sensitivity to Mechanical ImpactSensitivity to Static Discharge

None.

None

### Protective Equipment and Precautions for Firefighters

Wear positive-pressure self-contained breathing apparatus (SCBA) and protective fire fighting clothing (includes fire fighting helmet, coat, trousers, boots, and gloves). If protective equipment is not available or not used, fight from a protected location or safe distance.

## 6. Accidental Release Measures

### Personal precautions, protective equipment and emergency procedures

#### **Personal Precautions**

Ensure adequate ventilation. Avoid breathing vapors or mists.  
Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling.

### Environmental Precautions

**Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.**

#### **Environmental Precautions**

Avoid release to the environment. Dispose of contents/container to an approved waste disposal plant. See Section 12 for additional Ecological Information.

### Methods and materials for containment and cleaning up

#### **Methods for ContainmentMethods for Cleaning Up**

Prevent further leakage or spillage if safe to do so. Pick up and transfer to properly labeled containers.

## 7. HANDLING AND STORAGE

### Precautions for safe handling

#### **Handling**

Ensure adequate ventilation. Will attack glass and porcelain. Do not contact any spills or diluted . Avoid contact with skin, eyes and clothing. Remove and wash contaminated clothing before re-use.

### Conditions for safe storage, including any incompatibilities

#### **Storage**

#### **Incompatible Products**

Keep containers tightly closed in a dry, cool and well-ventilated place. Strong bases. Strong oxidizing agents.

## 8. EXPOSURE CONTROLS/ PERSONAL PROTECTION

### Control parameters

#### Exposure Guidelines

| Chemical Name                | ACGIHTLV | OSHA PEL | NIOSH IDLH      |
|------------------------------|----------|----------|-----------------|
| Phosphoric Acid<br>7664-38-2 | 0.5 ppm  | 3 ppm    | Not established |

### Appropriate engineering controls

#### Engineering Measures

Showe

rs

Eyewash stations  
Ventilation systems

### Individual protection measures, such as personal protective equipment

#### Eye/Face Protection

#### Skin and Body ProtectionRespiratory Protection

#### Hygiene Measures

Safety glasses with side-shields. Tightly fitting safety goggles. Long sleeved clothing. Impervious gloves.

If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn. Positive pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations.

Handle in accordance with good industrial hygiene and safety practice. Remove and wash contaminated clothing before re-use. Wash thoroughly after handling.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

|                              |                      |                                 |                          |

| Boiling Point/ Range         | Not Established      | None known                      |                          |
| Flash Point                  | No data available    | None known                      |                          |
| Evaporation rate             | No data available    | None known                      |                          |
| Flammability (solid, gas)    | No data available    |                                 |                          |
| Flammability Limits in Air   |                      |                                 |                          |
| upper flammability limit     | No data available    |                                 |                          |
| lower flammability limit     | No data available    |                                 |                          |
| Vapor Pressure               | No data available    | None known                      |                          |
| Vapor Density                | No data available    | None known                      |                          |
| Specific Gravity             | No data available    | None known                      |                          |
| Water Solubility             | Soluble              | None known                      |                          |
| Solubility in other solvents | Minimal              | None known                      |                          |

Information on basic physical and chemical properties

|                                        |                   |            |
|----------------------------------------|-------------------|------------|
| Partition coefficient: n-octanol/water | No data available | None known |
| Autoignition Temperature               | No data available | None known |
| Decomposition Temperature              | No data available | None known |
| Viscosity                              | Thin gel          |            |
| Flammable Properties                   | Not flammable     |            |
| Explosive Properties                   | No data available |            |
| Oxidizing Properties                   | No data available |            |

Other information

|                |      |
|----------------|------|
| VOC Content(%) | None |
|----------------|------|

**10. STABILITY AND REACTIVITY**Reactivity

No dangerous reaction known under conditions of normal use.

Chemical stability

Stable under recommended storage conditions.

Possibility of hazardous reactions

None under normal processing.

Hazardous Polymerization

Hazardous polymerization does not occur.

Conditions to avoid

Glass contact, strong bases or organic anhydrides

Incompatible materials

Strong acids. Strong oxidizing agents.

Hazardous decomposition products

None expected

**11. TOXICOLOGICAL INFORMATION**Information on likely routes of exposure

Acute Toxicity: LD50 not determined

Delayed and immediate effects and also chronic effects from short and long term exposure

|                          |                                                                                                                                                                                                                                                                              |

**12. ECOLOGICAL INFORMATION****Ecotoxicity**

The environmental impact of this product has not been fully investigated.

**Persistence and Degradability**

No information available

**Bioaccumulation**

. No information available

**Other Adverse Effects**

No information available.

**13. DISPOSAL CONSIDERATIONS****Waste Disposal Methods**

This material, as supplied, is not a hazardous waste according to Federal regulations (40 CFR 261). This material could become a hazardous waste if it is mixed with or otherwise comes in contact with a hazardous waste, if chemical additions are made to this material, or if the material is processed or otherwise altered. Consult 40 CFR 261 to determine whether the altered material is a hazardous waste. Consult the appropriate state, regional, or local regulations for additional requirements.

**Contaminated Packaging**

Do not re-use empty containers

**14. TRANSPORT INFORMATION****DOT**

**15. REGULATORY INFORMATION****International Inventories****TSCA**

All components of this product are either listed or are exempt on the TSCA inventory.

**Legend**

TSCA - United States Toxic Substances Control Act Section 8(b) Inventory

**U.S. Federal Regulations**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

**SARA 311/312 Hazard Categories**

| Acute Health Hazard               | Yes |
| Chronic Health Hazard             | No  |
| Fire Hazard                       | No  |
| Sudden Release of Pressure Hazard | No  |
| Reactive Hazard                   | No  |

**Clean Water Act**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

**CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.
